UNITED WAY— Envision a world where all individuals and families achieve their human potential through education, income stability and healthy lives. To advance the common good and mobilize the caring power of communities around the world, we will: Ignite a worldwide social movement— to give, advocate and volunteer to improve the conditions in which they live. Galvanize and connect all sectors of society to create long-term social change that produces healthy, well-educated and financially-stable individuals and families. Raise, invest and leverage billions of dollars annually in philanthropic contributions to create and support innovative programs and approaches to generate sustained impact in local communities. Hold ourselves accountable to this cause through our steadfast commitment to continually measure — improvements in education, income and health.

COMMUNITY SERVICES, INC.— The mission of Community Services, Inc. is to empower the people of need in Northwest Missouri to achieve their goals and improve their quality of life.

Community Services Block Grant (CSBG): Meets the needs to specific target groups through several programs aimed at making individuals self-sufficient. The goal of CSBG is to find ways to address the five pillars of poverty through local initiatives and partnerships with community businesses, agencies, and organizations.

Head Start: Is a federally funded child and family development program serving 188 children locally. Children involved with Head Start will build kindergarten readiness skills to promote their school success and abilities to learn.

Housing and Urban Development (HUD): HUD helps eligible families, the elderly and disabled obtain decent, affordable housing within the five CSI counties. CSI HUD offers rental and utility assistance to individuals in the five county area excluding areas inside the city limits of Maryville.

Weatherization Assistance Program: Weatherization works to conserve energy, create healthy and safe home, and reduce the cost of utilities. Service availability is based on the resident's income and can be provided to renters and home owners who live in apartments, mobile homes, duplexes and single family dwellings. Energy saving measures may include: caulking, weather-stripping, repairing/replacing furnaces and, insulating hot water heaters, walls and floors. The FREE Weatherization Assistance Program serves all nine (9) Northwest Missouri counties.
